BOOKS

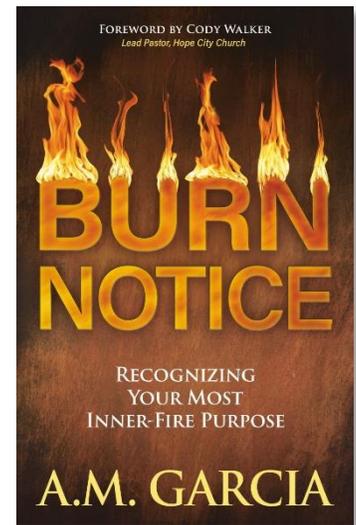

Book Description:

"Do I have purpose?" is likely one of the most self-searched questions in all of existence, yet it has been the most difficult answer to obtain. How do we obtain purpose? Is there a formula to this question? Do we seek after it, or does it appear in an instant?

Burn Notice is a journey into the heart of one man, who, by faith and obedience, came to understand his own purpose and why he was placed on this earth. It is a life-changing formula that will encourage and inspire you along your own personal walk.

This book will take you into the environment of the unknown, where purpose and understanding reside to see personal testimonies come to life and the biblical truths that coordinate the two. Be ready to experience waves of emotions centered around inspiration and practical teaching and establishing your own purpose that resonates in your heart. Are you ready to burn with passion? Stumble upon what God has already created you for? Allow it to take you places you've never dreamt of? Let's recognize our burn notice inside and release it for the world to see!
